FAQ

1 Is there a minimum order to book a LëtzeBurger food truck?

Yes. You can book our food truck for a minimum order of 800,- (2h of service). However, there is no minimum amount of people.

2 Can LëtzeBurger food trucks stay more than 2 hours?

Yes. For bigger orders, we can stay additional hours.

3 How to book a LëtzeBurger food truck for my event?

To confirm an event in our schedule, we need a signed quote. We do not take reservations without signature.

4 Can the quote be adjusted after signature?

Yes. We accept adjustments (e.g. number of participants) up to one week prior to the event. A new quote is issued and replaces the initial one once signed by the customer.

5 Do we need to know what everyone wants to eat?

No. Everyone can choose their food during the event.

6 Can my guests eat a second burger if they are hungry?

Yes. We always have 10 spare burgers. If they are eaten, they will simply be added to the invoice.

7 What happens if we don't eat everything?

If the ordered quantities have not been consumed, our staff informs you at the end of the event. You can then choose to collect the remaining produce and prepare them yourselves later.

8 How many people can be served per hour?

100-150 people per hour. We recommend choosing the "Burger choice of 4" formula + fries for big events to serve a maximum amount of people within a short timeframe. When choosing the "Burger of your choice" formula, we can serve 50-60 people per hour.

9 When does the LëtzeBurger food truck arrive at the event location?

One hour before the event. Sometimes 1.5h to set everything up.

10 What is included in the price of the quote?

Everything. Food, service, travel costs, plates, napkins & trash can. No hidden costs.
